

Executive Consulting

Target group:

- Leaders of teams, departments or organisations globally at all levels

Content:

- To be defined. Possible questions are:
 - What impact does digital transformation have on our global virtual working culture?
 - Does our technical communication infrastructure support our global business strategy?
 - How efficient is the global virtual working culture of my team, department or organisation?
 - What virtual collaboration competencies do I, my team, my department or the whole organisation need to develop?
 - Who do we need to involve to move into the right direction?

Benefits:

You will...

- Achieve clarity on business critical challenges and how to meet them
- Stay competitive in the global market
- Discuss ideas, concerns and receive feedback
- Learn virtual communication techniques to act as a role model
- Develop objectives, a strategy and the next steps
- Easily combine programme participation with busy working days (brief interventions, no travel time and no expenses due to virtual format)

We will be happy to provide you with further details!
