

High Performance Virtual Team Consulting

Target group:

- Virtual intercultural teams or departments incl. their leaders

Possible programme topics are:

- Making virtual meetings more effective
- Developing trust in working relationships
- Establishing common working rules
- Communicating effectively across cultures
- Using communication media appropriately
- Giving and asking for feedback virtually
- Preventing or managing conflict virtually

Benefits:

You will...

- Learn practical techniques to make virtual teamwork more effective
- Directly transfer learning to increase team performance
- Be provided with feedback from an external consultant
- Experience team building and increased trust
- Continuously observe and measure results
- Easily combine programme participation with busy working days (brief interventions, no travel time and expenses due to virtual format)

We will be happy to provide you with further details!
