

Virtual Intercultural Leadership Development

Target group:

- Virtual intercultural team leaders globally at all levels

Possible programme topics are:

- Building and maintaining a virtual team
- Developing shared goals
- Creating a motivating virtual team environment
- Establishing a common feedback culture
- Coaching team members virtually
- Being visible as a leader

Benefits:

You will...

- Standardize leadership competencies across defined target group
- Network across cultural and organisational boundaries
- Learn techniques to make virtual leadership more effective
- Directly transfer learning into practice
- Experience team building and increased trust
- Easily combine programme participation with busy working days (brief interventions, no travel time and expenses due to virtual format)

We will be happy to provide you with further details!
