

Change Consulting: Developing a Global Virtual Working Culture

Target group:

- To be defined: Team, department or the organisation as a whole

Process:

1. Analysis phase
2. Definition of desired behaviours for target group culture
3. Design of change architecture and interventions
4. Implementation and transfer phase

Change topics:

- To be defined according to business strategy and target group culture

Benefits:

You will...

- Develop a common virtual working culture
- Standardize virtual collaboration competencies
- Keep up with your competitors in the area of digital transformation
- Reduce your CO2 footprint and travel expenses
- Continuously observe and measure results
- Directly transfer learning into practice
- Easily combine programme participation with busy working days (brief interventions, no travel time and no expenses due to virtual format)

We will be happy to provide you with further details!
